

# Earn 10 € in just 60 minutes!

We are searching for people to **participate in a study evaluating Virtual Reality Interfaces**. During the test you will be using an HTC Vive headset and controller to evaluate the performance of different interface layouts in Virtual Reality. The procedure takes about **60 minutes** and will be compensated with **10 € in cash**.

To participate, please email **[bernard@campus.tu-berlin.de](mailto:bernard@campus.tu-berlin.de)**
